Meet Begonia Lunar Lights™ 'Sterling Moon' PP33164

Cold hardy to USDA zone 7, and amazingly vigorous, Sterling Moon is like no other begonia on the market. With its silver veiled, pucker-edged deep green leaves, red stems and pink flowers, it is a show-stopping 2 foot tall combination for shady gardens and containers. This new begonia also makes an easy-to-care-for, lovely houseplant for winter months in colder climates. *Available anywhere you buy Southern Living® & Sunset® Plants. Tissue culture: Vitro Westland. Liners: Emerald Coast Growers*
